Administrator's Corner

It is my sincere privilege to have been appointed the Administrator of Lafon Nursing Facility. It is my goal to maintain the high standards of practice that have been established by the previous Administrator. Sr. Augustine McDaniel's legacy is one that no one can fill, but by the grace of God and His mercy, I will do the best job that I can to lead this great facility into a new era.

I need your help to accomplish this mission. I have an open door policy. No problem, concern or issue is too big or small. I am available to discuss these issues and will work towards a resolution.

Let's work together to uphold the ministry of Venerable Heneriette Delille to provide quality nursing care to the elderly and poor.
